

## Make the Konnection

In Konnect, K-5th graders come together to learn about God and who they are because of Jesus.

Attending church every week is a crucial part of a child's spiritual foundation, but what your child does outside of church is even more important. Things like reading the Bible, memorizing Scripture, and applying the teaching to their daily life are all ways a child grows closer to Christ. We want to partner with you as you lead your child to do these things throughout the week. That's where our fun incentive program comes in!

Each Wednesday between 12 PM- 5PM, your child can make the "konnection" at the Konnect Table. At the Konnect Table, a leader will add points to your child's account for achieving specific milestones that week. As points accumulate, your child can choose different prizes including candy, toys, and even gift cards!

### How can kids earn points?

Recite last week's point	5 Konnect Points
Attend Konnect	5 Konnect Points
Memorize last week's verse	5 Konnect Points
Return completed and signed Challenge Card	5 Konnect Points
Complete a YouVersion Bible Plan or Sena with Parentts	25 Konnect Points

We are excited to partner with you as you lead your child to become a fully devoted follower of Christ.

If you have any questions about this program or any other aspect of Konnect, please let us know!

Whoever finds God, finds life!
